NATIONAL CHILDHOOD CANCER AWARENESS MONTH

MAKE A DIFFERENCE. DONATE TODAY!

\$25

FAMILIES

provide meals for a family with greatest needs

PATIENTS

\$50

provide books & movies for patients and their siblings to use when staying in the hospital

\$100

TREATMENT

support integrative sessions for patients to help with side effects from treatment

SUPPORT

\$250

assist families with out-of-pocket medical costs, such as copays & prescriptions

EVERY DOLLAR COUNTS.

Your funding makes it possible for our researchers to investigate pediatric cancer from all sides - from seeking novel drugs for hard-to-treat diseases, understanding the long-term effects of treatment, and exploring the use of complementary medicine in alleviating the effects of treatment.
